## {OBJECTIVE}

I'm a packaging and branding designer who loves physical objects and believes that their durability adds beauty to their design. I believe that designers have a responsibility to create products that are functional, aesthetically pleasing, and environmentally friendly. I would love to join a team where I can contribute to this cause and make a positive impact.

## {EDUCATION}

Academy Of Art University [2019-2023]

BFA School of Graphic Design

San Francisco, CA

## {EXPERIENCE}

Freelance Designer [2018-Present]

As a freelance graphic designer, I have been fortunate to work with several small businesses in recent years, helping them create unique and memorable branding projects. Through my work, I have developed a passion for creating designs that truly reflect the essence of each business.

## {SKILLS}

Illustrator, InDesign, Adobe XD, After Effects,  
Adobe Dimensions, Blender, Photoshop, Figma,  
Lightroom, Cinema 4D.
